

Introducing

Medical Simulation Solutions

Gaumard Authorized Distributor
for the United Kingdom

Dear Valued Customer,

We're delighted to share some exciting news with you. Gaumard is thrilled to announce Medical Simulation Solutions Ltd, our premier distributor in the UK. This represents a significant advancement in our mission to supply first-class simulation products and services.

Led by a team full of enthusiasm and commitment, Medical Simulation Solutions brings over 25 years of invaluable experience in simulation. Their expertise in the sales and servicing of Gaumard patient simulators guarantees access to the finest resources in the sector.

Both Gaumard and Medical Simulation Solutions are dedicated to enhancing your experience, promising an unmatched purchasing journey supplemented by comprehensive training services. This collaboration aims to support your success, providing the essential tools and knowledge for you to thrive.

As we commence this new chapter, we assure you of a seamless transition. Medical Simulation Solutions will become your primary source for all Gaumard products and services. Accordingly, your current network of independent simulation consultants, whom you know and trust, will now integrate into Medical Simulation Solutions. This ensures that your needs are met efficiently and without disruption.

For your simulation and training needs, please contact Medical Simulation Solutions Ltd at info@medsimsol.co.uk or call on +44 (0)74 4021 2169.
